Eligibility Criteria for Global Investor Programme in Singapore

If you are an established investor, business owner, or entrepreneur, you may directly apply for the Singapore PR via the Global Investor Programme (GIP). Additionally, you must meet the following criteria:

1 .Established Business Owners:

The backbone of the GIP, this category welcomes entrepreneurs with a proven track record, leading companies that not only hit specified turnover milestones but also actively engage in industries that align with Singapore's strategic economic goals.

2 .Next-Generation Business Owners:

Catering to heirs and successors of substantial business empires, this segment ensures the legacy and growth of significant family-owned businesses continue within Singapore's robust economic environment.

3 .Founders of Fast-Growth Companies:

Innovators at the helm of rapidly scaling ventures find a nurturing ground in Singapore, with the GIP valuing their potential to disrupt markets and introduce groundbreaking solutions.

4 .Family Office Principals:

The programme distinctly recognizes the strategic importance of high-net-worth individuals looking to manage their wealth from a secure, politically stable, and financially sound base like Singapore.
